Berlin through the lens of steward-ownership

Explore Berlin in a unique way: meet five of our fantastic steward-owned enterprises, hear their story and have a chat. **Registration mandatory**

WHEN?

WHO?

LEARN

First stop: **coffee!** We will enjoy a nice cup from **8:30 onwards** at **CHNO Kaffee**, same building as the MOGLi office. Join us whenever you like and we'll make our way up to MOGLi together.

9:15

Snacks which are anything but boring.

Transitioning to SO, finding aligned investments & founder compensation

11:15

Showing how SO works at train stations & that oats are sexy.

How they bought out existing investors and used crowdfunding + time for brunch

13:00

Ever heard of algae tampons? Time to change that!

Why a new healthcare product needs a new ownership model

14:15

A condom revolution, that's fun, fair and steward-owned.

The interplay of steward-ownership and new work

15:45

Embrace your inner child and creativity!

The challenges of buying out investors and how to regain independence

It's possible to only join parts of the tour also - details in the [registration form here](#)
