

**WE BUILD, SUPPORT AND HOLD THE EMERGING STEWARD-OWNERSHIP MOVEMENT BY INSPIRING AND ENABLING ...**

**GROUNDWORK AND BUILDING BRIDGES**

We refine & safeguard the definition and narratives around steward-ownership, bring the topic into public discourse and connect it with other spheres and topics.

**KNOWLEDGE CREATION AND SHARING**

We gather information, knowledge and experiences around steward-ownership, make them open source and distribute them.

**NETWORK AND BRINGING TOGETHER**

We bring together the diverse actors around steward-ownership to foster a connected, inclusive and effective movement.

**GLOBAL MOVEMENT**

We support organizations multiplying the concept of steward-ownership in specific regions or sectors with our knowledge and experience.

**EDUCATION**

We bring steward-ownership to universities to widen the narrative around ownership and reach the decision-makers of tomorrow.

**RESEARCH**

We conduct research and inspire academics to build up the knowledge base for steward-ownership.

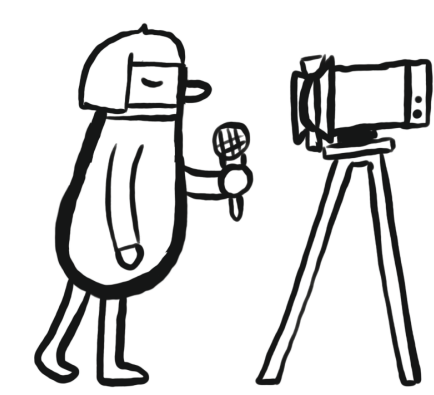

**LEGAL INFRASTRUCTURE**

We reduce the legal costs of becoming steward-owned by providing legal solutions as well as educating the legal support system.

**ALIGNED FINANCING**

We support the shift of more investment capital into steward-ownership by inspiring and enabling relevant actors.
